

TALARA SCHOOL SONG

Down by the sands and the bright blue sea,
Here's where our school was planned to be.
Then in the year nineteen ninety eight
Our school was ready to open its gate.
There were hopes then,
There were dreams then,
There were plans and enterprising schemes then.
With vision our school was founded.

SING OUT WITH PRIDE
FOR THE JADE MAROON AND NAVY
WE'RE ALL PART OF A WONDERFUL TEAM
WE SHALL STRIVE FOR OUR BEST
WE'LL ANSWER TO THE TEST
FOR WE BELONG TO THIS SCHOOL, TALARA

Now time's moved on and the years have passed,
We're building traditions that forever will last.
With kindness respect and compassion too,
Our friendships should last us our whole life through...
We believe now
We can achieve now,
Making the words of our motto all come true,
"Only our best will do."

Written and composed by Wendy Carty
