

TALARA ART GALLERY (TAG) – Photography Section

Is your child a shutterbug who loves to take photos?

As part of our annual Talara Art Gallery (TAG) being held on **Week 5 Wednesday 5th November** a Photography Section has once again been included to the Talara Art Gallery to recognise our Talara student's photographic skills.

If your child would like the opportunity to showcase their photographic skills at TAG, they are required to self-nominate and submit a portfolio of up to **two photos only** that demonstrate their exceptional photography skills. Submissions may be any subject, for example, landscape or portraits presented on any medium like a canvas collage, or paper etc and will be judged on their artistic merit, including creativity and originality.

If you would like your child to participate in this wonderful opportunity, please read the submission conditions, complete the permission form, have your child complete the portfolio profile, then attach both to the photocopies of your child's photographs.

Please return to Mrs Lawrence 5M class teacher or office. Submission due date **Friday 24 October (Week 3)**.

Please only submit colour and or black and white photocopies of student photographs at this stage.

Students will then be notified in writing if their submission has been successful on **Monday 27th October**.

If successful, original photographs will need to be brought to school **Week 5 Monday 3rd November**. *Please note that photography display is being organised on Monday & Tuesday of Week 5. **No late photograph submissions will be able to be included.***

Photos that have not been printed on a canvas, will need to be framed for display at TAG.

Yours sincerely,

Debbie Lawrence

Highly Accomplished Teacher
